

UrbanShift Asia Forum 2023

Investors Roundtable

Key Information:

Time/Date: 14:30-17:30 on 25th of September 2023

Location: Central Hotel TBA, New Delhi, India

Overview:

C40 Cities will be hosting the High-Level Investors Roundtable, to discuss **financing strategies for e-bus and e-freight deployment**.

The event will facilitate discussions between city officials and investors, as well as city-to-city knowledge sharing on developing climate-smart transport projects that attract interest from financiers. The key objective of the Investor Roundtable is to create a platform for local actors to collaborate directly with external stakeholders, including national government and private sector partners, to support ambitious strategies and financing models to accelerate and scale the deployment of climate finance.
